ABOUT US

TAQNOR is a leading fast growing lighting company, we are aiming to be a dominant player in the Electrical Contracting and Supplying market in Egypt in the next 5 years, we started our company in 2010 with complete vision and clear mission, our professional team of Management, Engineers, and technicians was the greatest fuel that pushed us forward to be at what we are standing now. We have many types of lighting products that can cover your lighting inquiries for your company, villa, compound, factory,.... etc

I hope you find this guide helpful and useful. If there is any way that we can help you, your team, or your organization, please don't hesitate to contact us.

Amr Sadek
