TAQNOR is a multidisciplinary, innovative company specializing in both construction and LED lighting solutions. With a clear mission and a complete vision, we have built a solid reputation in Egypt's electrical and construction markets.

ABOUT US

Established in 2010 and headquartered in Cairo, we pride ourselves on offering a comprehensive range of services, from high-quality LED lighting products for indoor and outdoor applications, to full-scale electrical installation works across a wide range of sectors. Our products are carefully developed to balance exceptional quality with competitive pricing, ensuring our clients receive solutions that are both reliable and cost-effective.

What sets us apart is our dedicated team of professionals, including managers, engineers, designers, and technicians who bring creativity, precision, and technical excellence to every project. Our team is fully equipped to handle projects of any scale, delivering consistent results with care and attention to detail.

We have proudly supported a diverse client base across Egypt, working in sectors such as residential, commercial, industrial, landscape, and infrastructure. As part of our long-term strategy, we are expanding our presence in large-scale construction and electrical projects while continuing to lead in lighting innovation.

VISION & MISSION

VISION

To be a regional leader in delivering innovative, integrated, and sustainable solutions in lighting, electromechanical contracting

MISSION

We strive to provide high-quality products and services across lighting manufacturing, and electromechanical works. Through engineering excellence, cutting-edge technology, and a client-centric approach, we aim to deliver reliable, efficient, and sustainable solutions that add real value to our clients' projects.

OUR SERIVICES

- Concept, Schematic and Detailed design.
- Supply and support.
- Warranty.
- Installation Maintenance.
- Keeping Stocks.

WHY US

At **TAQNOR**, we turn vision into reality — whether through the precision of our construction work or the brilliance of our lighting solutions.

As a trusted general contractor, we bring your ideas, designs, and plans to life with attention to detail, safety, and quality. Our experienced preconstruction and site teams work hand-in-hand to ensure smooth execution, clear communication, and on-time delivery — no matter the scale. We pride ourselves on keeping our projects organized, adaptive, and resilient to any on-site challenge. Your comfort and satisfaction are not just priorities — they're our foundation.

In the lighting sector, we go beyond supplying products — we deliver complete LED lighting solutions tailored to both indoor and outdoor spaces. With a strong focus on innovation, quality, and competitive pricing, T AQNOR stands out by offering reliable, energy-efficient systems that are built to last. From design support to installation and after-sales service, we're with you every step of the way.

Choosing **TAQNOR** means partnering with a team that values excellence, creativity, and long-term impact. Whether you're building from the ground up or illuminating your space, we're here to help you shape environments that inspire.
